## Good to know about the pack list

Please **label** as many items as you can.

While the items are suggested, we've found these items to be important. Feel free to add other belongings you think you might need.

For "2-week campers" we suggest items to be checked for the right amount. It's also important to note that some camper laundry can **be hand washed** during the week.

If you accidentally bring any sprays, lighters, cigarettes, drugs or (alcoholic) beverages, these must be handed in on Sunday.

If the staff happen to find those items (or food) in your room, they are permitted to take it away.

Bring **no other/extra devices** just one phone will be enough.

If the staff happens to find extra devices, they are permitted to take them in.

You will have WiFi time once a day, after that moment all phones will be kept safe. Bring your charger + cable and put your **name** on it!!!
